

# Kashmir 4" x 6" Mylar Smell Proof Stash Bags

Kashmir 4" x 6" Mylar Stash Bags are strong, durable, BPA-free bags that feature tear-resistant multi-layer Mylar construction for worry-free storage. The heavy-duty zip closure allows for an airtight seal and re-seal—locking out harmful UV rays while locking in freshness and smell. Kashmir Stash bags offer additional moisture-resistance that makes our bags the best choice for storing approximately 1/4 oz of dry material. For longer term storage, the zip tear notch allows for easy access after heat sealing. Kashmir Stash Bags come in 50 count sealed packs and 5 cool designs.
